## RESOURCES IN NEW HAMPSHIRE

**Hospitals:** Many hospitals are required to offer free or reduced-fee medical services. Call your local hospital and ask to speak with the business office, finance department, financial counselor, or the social services department.

**Community Health Centers:** Federally qualified community health centers provide health care regardless of ability to pay. The New Hampshire Breast Cancer Resource Guide lists many New Hampshire community health centers. For a free copy of the guide, call (603) 659-3482.

**General Assistance:** Some towns and cities offer financial assistance and other types of support. Call your local town offices and ask about eligibility requirements.
