

## **New Hampshire Breast Cancer Coalition License Plate Decal**

The New Hampshire Breast Cancer Coalition (NHBCC) has been authorized to sell special decals with our logo that can be placed on a new type of license plate called the “Decal Plate.” The NHBCC Decals can only be placed on a Decal Plate. Here is what you need to know to obtain your **Decal Plate** and the **NHBCC Logo Decal**.

### **What is the new Department of Motor Vehicles “Decal Plate?”**

The new Decal Plates resemble the regular New Hampshire passenger license plate however, they include a 3” x 3” blank square on the left side of the plate that allows for the placement of the special decal.

### **How to I Obtain the Decal Plate?**

You can obtain the special Decal Plate when you visit your town or city clerk office to renew your vehicle’s registration, or at any time of the year.

Decal Plates are available for a \$15 fee per year in addition to the town and state registration fees when you renew your registration. An additional \$8.00 plate manufacturing fee is only required in the first year of purchase.

You can also transfer your existing passenger plate to a Decal Plate (a midstream plate change) by visiting any of the Department of Motor Vehicle (DMV) locations. The cost will be \$15 for a new registration, plus the \$15 decal plate state fee, and the one-time fee of \$8 for the new set of plates.

### **What is the New Hampshire Breast Cancer Coalition license plate Decal?**

The NHBCC license plate decal is a 3” X 3” decal of the NHBCC logo that you affix to your special Decal Plate. **The decal can only be used with the new Department of Motor Vehicles Decal Plate.**

### **How do I Obtain the Special New Hampshire Breast Cancer Coalition Decal?**

The New Hampshire Breast Cancer Coalition Decals must be purchased directly from the New Hampshire Breast Cancer Coalition. They are not available at DMV locations.

The New Hampshire Breast Cancer Coalition decals are available for \$25 per set. You will need a set of decals for each vehicle, one for your front plate and one for the rear plate.
