

NHBCB Support Services Fund

Application Guidelines for Financial Assistance

The New Hampshire Breast Cancer Coalition (NHBCB) is a volunteer, non-profit organization whose mission is to advocate for and provide assistance to New Hampshire residents with breast cancer. The NHBCB Support Services Fund is dedicated to providing women in New Hampshire with the opportunity to obtain financial assistance for services and/or items related to breast health or breast cancer necessities.

The funding for the NHBCB Support Services Fund comes entirely from NHBCB donations and membership contributions.

To qualify:

- Although there are no income level requirements, you must indicate a financial need not able to be met by other available resources.
- You must complete the confidential financial assistance application with supporting attachments.
- You must be a New Hampshire resident or receive treatment in New Hampshire.
- You must not have exceeded the maximum per person funding amount set by NHBCB.

To apply:

- Please read and complete the financial assistance application.
- Attach a copy of the **unpaid** bill or bills for which you are requesting assistance.
- Send the completed packet to the address below or email the scanned application and unpaid bills to ssf@nhbcc.org.

The NHBCB Support Services Fund Committee will review all applications.

- Only completed packets (application and supporting information) will be considered.
- Applicants will be notified in writing of the Committee's decision.

Send your completed packet (application and supporting information) to:
